NOTICE OF INVITATION TO JOIN THE ALLO MAINTENANCE WORK CONTRACTOR (KONTRAKTOR KERJA MAINTENANCE - KKM) PROGRAM FOR SECOND LEVEL CORRECTIVE MAINTENANCE

Contractors/Suppliers registered under the Companies Commission of Malaysia (SSM) are cordially invited to submit their application for the Allo Kontraktor Kerja Maintenance (KKM) Panel Contractors Program for Second Level Corrective Maintenance.

Description	The Allo Kontraktor Kerja Maintenance (KKM) Program aims to establish a pre-qualified pool of technically and financially competent contractors across all states/regions in Peninsular Malaysia. This program ensures rapid deployment, operational continuity, and strict adherence to Service Level Agreements (SLAs) for fiber network infrastructure corrective maintenance.
Scope of Services	Second Level Corrective Maintenance (2nd Level CM) for active and passive telecommunications network infrastructure elements (DWDM, ACS, FTTH infrastructure, fiber restoration, splicing, fault localization, and emergency restoration works).
State-Based Zoning / Coverage	Kedah & Perak.
Document Submission Period	Start Date: 12 October 2026, Monday (9:00 AM) Closing Date: 13 November 2026, Friday (12:00 PM)
Submission Instruction	Hardcopy submissions in a sealed envelope containing all required, signed, and certified true copy documents must be delivered no later than 13 November 2026 (12:00 PM) to: **ALLO TECHNOLOGY SDN. BHD.** Level 3, Left Wing, NOVA Building, Universiti Tenaga Nasional (UNITEN), 43000 Kajang, Selangor.
